Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

The Notice of Allowance papers mailed October 19, 2010 indicate that the present application is not entitled to small entity status. However, a Small Entity Assertion (which shows up in PAIR) was filed October 22, 2004, and although the application was subsequently assigned, the new Assignee is still entitled to small entity status. Accordingly, Applicant's attorney has changed the Issue Fee Transmittal Form to indicate that the application is still entitled to small entity status, and that the Issue Fee due is \$755.00.

Respectfully submitted,

Masami KUJIRAI
